The unique Constellations range is created using a poured resin. As a result of this process, certain minor imperfections may occur which may not be taken as faults. These panels are only available with backing glass as shown.

No responsibility is accepted for colour variations which may occur during photography. Because of the limitations of the printing process, all illustrations are representative of the finished product.

We reserve the right to change patterns or designs without prior notice.

## HAD ENOUGH OF PAINTING? THEN DON'T!

Our unique PVCu interior door range is the perfect answer.

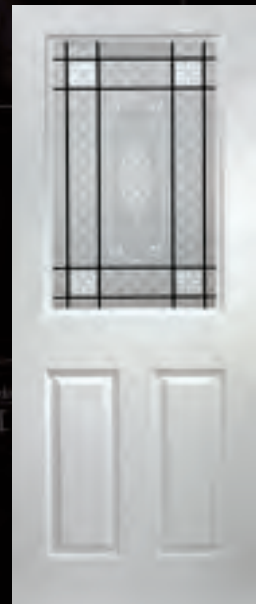

Available in three different styles and a variety of sizes, this superior range of products will enhance any home.

Our solid and glazed options will fit any frame and can be hung in the same way as a traditional timber door.

Various colour leads are available; Gold, Antique and Silver.

## Reasons for choosing the Superior Interior Door Collection

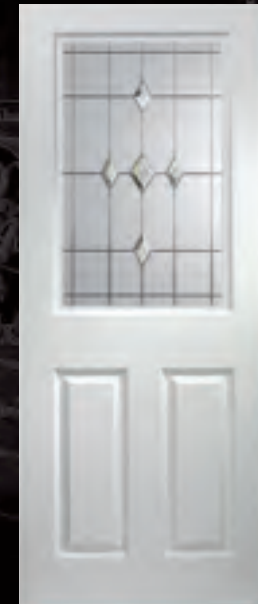

- Maintenance free
- PVCu skin to both sides
- UV stable
- Available either edge banded to set sizes or with removable edge trim to allow planing
- Wipe clean finish
- Extra high density polystyrene core for insulation and improved impact resistance
- 35mm standard thickness to suit any door set
- NO PAINTING - NO CRACKING - NO WARPING
- Available with bespoke glazing
- 70mm Sub frame allows trimming up to 15mm per side
- Lock block to both sides
- Half hour fire door available certified to British Standard
